Dear Elq, Lou and Diana

Thank you very much for your letter and drawings and a small gift of a ballpoint pen and crayon which you sent to my daughter Tendai Mapindani. I am Sijai Mapindani Tendai's father who wrote this letter on behalf of her since this letter finds her absent. She visited her grandmother about 30km away from our home.

We are all happy with your drawings of Germany and a farm from Germany. Do you live off that farm.

Tendai's favourite game is netball.

Lots of love from Tendai and family
